Dear Sir/Madam

Re: 150, HOLBORN, LONDON, EC1N 2NS

**Waste Comments**

Thank you for consulting Thames Water for the discharge of matters relating to piling. Thames Water confirm they are happy for the piling condition referenced, to be discharged based on the information submitted.

**Water Comments**

**Supplementary Comments**

Thames Water have reviewed the information provided and agree to discharge Condition 34. This is based on the understanding that piling/demolition works are carried out in accordance with Letter of No Further Comment X2039/911 (06/06/19) and the Outline Construction Methodology 44066 (05/03/19). Please advise Thames Water if these plans change so that we can re-assess the risk to our assets. Please discharge Condition 34.

Demolition, piling and excavation works all have the potential to adversely impact Thames Water assets. Please bear in mind that Thames Water will hold the developer and any relevant contractor/sub-contractor liable for any losses incurred or damage caused to Thames Water assets arising from construction works or subsequent use of the facility.

Yours faithfully  
Development Planning Department
