**Subject:** NO to new school in Hampstead police station building

Dear Mr Fowler

As a longtime Hampstead resident I grow increasingly alarmed at the recent rapidly growing congestion, pollution, increased traffic and noise in the area.

Converting this iconic erstwhile police station into an unneeded primary school, when the neighbourhood is groaning with school runs and parking problems from the great number of schools already in the area, is astoundingly destructive and short sighted.

It makes a mockery of the so- called efforts to create a clean environment for our community.

Please let me voice a resounding NO  
Regards  
Yana Zarifi
