You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 2 Reasons for granting permission.

The proposal to replace existing steel framed single glazed windows is considered acceptable as the new double glazed aluminium framed windows will match the existing style and colour. The proposed windows have been carefully designed to ensure close attention has been paid to maintaining the dimensions of the frames, glazing bars and general detailing.

The proposal is considered to preserve the character and appearance of the host building, the street scene and the wider Fortune Green and West Hampstead neighbourhood area.

The alterations are not considered to harm the amenity of any neighbouring properties.

No objections have been received. The sites planning history was taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies D1, D2 and A1 of the Camden Local Plan 2017, and policy 2 of the Fortune Green and West Hampstead Neighbourhood Plan (2015). The proposed development also accords with the London Plan 2016 and the NPPF 2019.

- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road

closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team London Borough of Camden 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444) . Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.

- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website at <https://beta.camden.gov.uk/documents/20142/1269042/Camden+Minimum+Requirements+%281%29.pdf/bb2cd0a2-88b1-aa6d-61f9-525ca0f71319> or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.
