Dear Sir,

Town and Country Planning Act 1990
6 Templewood Avenue, NW3

I refer to your letter and plan received on 11 May 2000 regarding the above premises.

I have checked the proposed amendments to the front and side elevations as shown on the drawing hereby submitted, with drawings S-14 and S-15 as approved for the erection of a single storey ground floor extension dated 24 May 1999, ref. PW9802953R1. I can advise that the alterations as shown on the drawings hereby submitted can be dealt with as a minor amendment and a revised planning application is not required in this instance.

I trust this clarifies matters.

Yours faithfully

V. Geoghegan,
for Director of Environment
