Dear Sir,

PLANNING APPLICATION PN9802935 - 6 TEMPLEWOOD AVENUE DS/4/18

- We write to formally object to the above application on the basis that it does not comply with Camden Council's Urban Development Policy detracting from the character of the neighbourhood and setting a precedent for further non-compliance.

Furthermore, the conservatory does not appear either necessary or beneficial to the area and is therefore inappropriate for a conservation area.

- The proposed conservatory will reduce light to the area and alter the exterior of the building both of which could be avoided by building on the garden side of the house.

Please inform us of any council meeting in relation to the above. We hope you look favourably on this letter
Yours faithfully [redacted] (solicitors)
