| 2019/1977/P | Bartholomew Estate and Kentish Town CAAC | 19/06/2019 09:22:28 | OBJ | We object to granting retrospective planning permission for the erection of steel black painted railings at this 1 st floor level , as the enclosed space will form a balcony which has the potential to cause overlooking, noise and light pollution to surrounding gardens . We believe the formation of balconies is country to Camdens own planning guidelines . |
