2019/2375/P	ALexandra Arango Larche	19/06/2019 12:59:31	NOBJ	<p>Abacus is an outstanding non-faith school, very needed in Belsize Park.</p> <p>Been a resident in the area for more than 5 years, we are really looking forward to have Abacus relocated to their home in NW3. We are in need in Belsize Park to have a non -faith local school for our children. Having a very limited catchment area, most of the parents will do the drop-off by foot, so the school will not make worse the current situation of traffic in the area.</p> <p>Being a single entry school will also limits the number of children and parents circulating in the area.</p> <p>We are very looking forward to have the school relocated to the police station!.</p>
