Dear Alex

**Re: Demolition of single storey garage to the rear of (with façade retention) and erection of new dwelling at 6 Camden Mews, Camden, London, NW1 9UY**

We were employed to carry out the building control service and inspections on the above project.

We are aware of the optional requirement from the planning department for the dwelling to be in accordance with AD-M4 (2).

Please accept this letter as confirmation that we regard the works in accordance with AD-M4(2).

Our final certificate has unfortunately been issued and therefore we are unable to re-issue the certificate with the correct wording regarding this matter left in place

Hopefully this letter alone meets your needs.

If you have any further queries please do not hesitate to get in contact.

Kind regards

Gary Pendered
