2019/2496/P	Sanya Polescuk on behalf of Belsize Society	22/06/2019 18:08:04	OBJ	It is impossible to judge the effect of this without Design and Access Statement and photographic record of the surroundings. Rights of light and privacy of neighbours is also impossible to assess. Regardless, permitting this extension would set a precedent which ought to be carefully scrutinised and that is impossible without understanding the context of this building in a Conservation Area.
