Dear Sir/Madam,

Please see attached a letter setting out our additional objections to the planning application concerning the roof of 29 Belsize Lane (2019/2676/P), and an attachment (plans).

This letter should be read in conjunction with our letter of 29 May 2019, as both sets of objections are critical to the Council's assessment of this application.

We should be grateful if you could please confirm safe receipt, as well as timing and next steps.

Many thanks.

Kind regards,  
Maya Barr and Adam Tedder
