Subject: Abacus

Dear David

I am writing to give my support for Abacus to use the old police station for their school.

This will be a great opportunity to have a free school of a high standard in the area who will also encourage and promote children being walked to school rather than travelling to school by the usual 4x4 brigade.

Surely, this can only be a good thing and it is perfect timing as London's dangerously high pollution levels are top or the Mayor of London's agenda.

Yours sincerely
