Details of the pre-application advice received

- B1 Land Use acceptable in principle.

- Design acceptable in principle (First floor extension; Acceptable in principle / Third floor extension; Acceptable in principle / Roof top plant enclosure extension; Deemed, '...an intrusive and unappealing addition to the roofline that would fail to preserve or enhance the character of the surrounding conservation area or setting of adjacent listed buildings.' Alternative plant locations to be considered. Option for siting the units on the roof of the first floor extension should be explored.)

- Transport: 3 x long stay cycle spaces & 1 x short stay cycle space to be provided within scheme.

Conclusion:

'The extensions at first and third floor levels could be supported as proposed subject to a supportive daylight and sunlight report which demonstrates impacts on nearby habitable rooms.
