2019/2496/P	Patricia Nolan	01/07/2019 14:36:04	OBJ	I object to the construction of an extension for the following reasons: 1) it would be out of context with the surrounding conservation area and at odds with other gardens in the street. 2) loss of garden space would have environmental impact and be out of keeping. 3) there would be increased light pollution from south facing windows. 4) period architecture ie curved windows would be hidden/destroyed.
