

1st July 2019

Here is a list of some Dangerous trees at Highgate Cemetery, located in the West Cemetery as shown by Frank.

Please Permit a 5 day notice for immediate action.

Main Pathway

T1 - 9741 – Ash Tree - Cankers whole way up tree - neighbouring tree has snapped out below where the climbers would climb. This would appear dangerous. Fell

Located behind 9741 in woods

T2 - 9771 - Ash Tree - Dangerous to climb - Fell

Cuttings path

T3 - 9772 - Robinia - Dangerous - Fell

T4 - 9774 - Ash Tree - Large leaning limb (Could fail) cut back to main stem

T5 - 9775 - Ash Tree - Large leaning limb (Could fail) cut back to main stem

T6 - 9700 - Yew - Dead wood remove ivy and re shape

T7 - 9773 - x3 Ash - Major health problems - Dangerous -Fell

Many thanks

Mark Young
