To whom it may concern,

I would like to object to the above planning application for the salon on Newton Street. This is a residential street which does not need anymore noise and disturbance that this would bring, especially with the business being located directly below where people live and with the rear of their business opening into the courtyard of residents. No other business in this unit is open on Sunday at all with most closed by 5pm on weekdays and only one open occasionally on a Saturday.

Regards,
