2019/2375/P	Keith Andrew	04/07/2019 17:07:56	COMMNT	<p>I support the application for Abacus Belsize Primary School's application for use of the old Hampstead Police Station.</p> <p>Abacus Belize is a well established school that deserves to be housed in a permanent home. The use of the former police station (a public building) to house this outstanding school would be a excellent outcome. That ensures not only that this important building is preserved for the public but also that it is used for the general benefit of the community. There can't be a more appropriate use for this building than housing an outstanding local state school.</p>
