Details of the pre-application advice received

I hadn't realised that planning application needed to be put in for a front wall, particularly given the old wall was such a mess. I received a notice, and had some correspondence with Ms Ryan who said:
"In considering the matter further, I am of the opinion that should a retrospective application be submitted for the retention of the wall in its current form, it is likely that such an application would be looked upon favourably"

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
