The noise factor from their deliveries are unacceptable in such a heavily populated areas.</li> <li>B. The cleanliness is questionable to date.</li> <li>C. Influx of vermin has increased in the area and beyond.</li> <li>D. There dispatch riders have proved to be a menace not only in restriction of parking in Finchley Road, stopping shoppers for using the shops, which in turn effects to area terribly in many ways.                      On speaking to them, I understand that they can park free on the Finchley Road. However if they park within the confines of Sui Generis property they are charged for parking!!!                      Also their moped drivers have proved to be irresponsible and there are instances when they have damaged other vehicles with their disregard to other traffic users. It has also been noted that they also at times park their mopeds on the pavements by the shop windows.</li> </ul>
