Subject: 44-44A Gloucester Avenue NW1 8JD 2019/2230/P: ADVICE from Primrose Hill Conservation Area Advisory Committee

Dear David, This one is less straightforward, it seems! All good wishes, Richard.

ADVICE from Primrose Hill Conservation Area Advisory Committee
12A Manley Street, London NW1 8LT

19 June 2019

44-44A Gloucester Avenue NW1 8JD 2019/2230/P

Objection. We note that the officers' report on 2015/1243/P specifically addresses concerns about the visibility of photo-voltaic panels on this scheme, and their removal from several roofs (para 11.29). We also note that Condition 3d makes no reference to panels being consented on Building 4.

Richard Simpson FSA
Chair
