Subject: Abacus Belsize School Planning Approval

Dear David,

as a parent with a disabled child [REDACTED], I just want to emphasise how much of a difference it will make for me to be able to just walk up to the Abacus Belsize school (at the former Belsize Police Station) if it were to be approved by the planning team.

I can confirm it is a 5min walking distance for me. It gives me enough time to get back before the transport brings home my disabled child. Currently I have to pay people or rely on extended family members to receive my disabled child as I'm still waiting on the Abacus School Bus (coming from current temporary location in Kings Cross).

I'd be grateful if you could confirm receipt of my email and bring it to the planning teams attention ahead of decision day.

Thanks,

[REDACTED]
