Good afternoon, I have been informed of a planning application ref 2019/0979/P from Seoul Express on Tottenham Court Road.

Another business in our building at the address below has reported the smells coming into our building.

I have no objection of the planning permission **if** they can change the extraction pipe they are using which is emitting the smells directly into our office, it is very strong so we would appreciate if something could be done about this before they application decision is made.

Kind regards,

**Tiana King**
