2019/2271/P	Saffa Dehghani	07/07/2019 17:02:11	OBJ	This would be highly unfitting for the area and community with the extent of new residential units. The noise currently is frustrating and does not show an appreciation for the surroundings when parties progress through into the morning (mainly on weekdays). Families and residents are placed in close proximity and with an increase on the current noise at the terrace level, the area would progress further into a disturbance. It would be unfair on the community living in the area.
