### 23. Pre-application Advice

Title	Mr
First name	Tony
Surname	Young
Reference	2019/2667/PRE

Date (Must be pre-application submission)

22/05/2019
------------

Details of the pre-application advice received

Pre-application correspondence was sent to Camden Council by email on 22/5/2019 introducing the application which included site specific drawings and outlined the need for the existing telecommunications base station to be upgraded and redeveloped.

An email was received on 31st May from Tony Young (reference 2019/2667/PRE) advising there would be a charge of £989.02 for pre-application advice. Therefore, it was considered that when balancing the fees of the LPA for informal advice, together with those incurred for a formal determination, the proposal subject to this application would be advanced.

Although no LPA comments have been forthcoming, as the proposal relates to the upgrade of an existing base station and the principle of telecommunication development is established on-site, it was considered appropriate to progress the application and seek the LPA's formal determination.

### 24. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff

Yes  No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
