SUBMISSION OF PLANNING APPLICATION FOR PROPOSED UPGRADE OF EXISTING TELECOMMUNICATIONS INSTALLATION AT CAM0106, 60 TOTTENHAM COURT ROAD, LONDON, W1T 2EW (NGR: 529583, 181748)

This is a full planning application submission and is in accordance with the Electronic Communications Code (as amended) for permission for the development of:

The removal and replacement of 2 x antennas with 4 x antennas, addition of 1 x 300mm dish, removal of 1 x cabinet and replacement with 2 cabinets, retention of 1 x GPS unit and removal of 2 x Radio Amplifiers (RA) and replacement with 6 x Remote Radio Units (RRU), replacement of 2 x existing poles with 2 x new support poles and ancillary development thereto at 60 Tottenham Court Road, London W1T 2EW.

This full planning submission comprises:

- Planning application form and certificates
- Drawings Ref. No's: CAM0106 - 001, 002,003, 004, 005, 006, 007 and 008 with the application site edged in red;
- A copy of the 'Ownership Certificate' and covering letter as served on the site owner;
- A full planning application fee for the sum of £462.00 [delivered online];
- Site Specific Supplementary Information;
- ICNIRP certificate as shown on the drawings.

This application has been prepared in accordance with the Code of Best Practice on Mobile Network Development (Nov 2016).

The enclosed application is identified as the most suitable site option and design that balances operational need with local planning policies and national planning policy guidance. It will deliver public benefit in terms of the mobile services it will provide.

Furthermore, we would like to assist the council and would like to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully,

KLayzell
