

July 4<sup>th</sup> 2019.

Ref: 2019/0682/P  
62, Hillfield Rd.  
Planning Application.

Dear Ms Smith,

I should like to write opposing  
this new application for a house to  
be built at the end of the garden  
of No. 62 Hillfield Rd.

My objections are:

1. I own the ground floor flat in  
number [redacted] Hillfield, and the sun and  
light which at present are available in  
my sitting room, bathroom and kitchen,  
will be severely restricted by this  
building, as it will affect the back  
of [redacted] Hillfield Rd.

2. Privacy: My sitting room, kitchen and bathroom, will ~~have~~ <sup>be affected by</sup> windows in the back of the proposed building which will directly overlook my premises.

3. Situation in the road:

The road at this point is narrow and dangerous, just before a zebra crossing. It is not a suitable place to build a house.

4. The gardens at the end of the road are quite small, and not suitable for large development.

5. Green space — please preserve our wild life, trees and open space, once it is gone it is gone.

Thank you,  
Yours Sincerely,
