Noise - this is quite a significant roof terrace (25 sqm) and is termed a party terrace as it can accommodate over 20 people and there is a significant risk of late night party noise during summer.2. The proposed height and design of the screens covering will be detrimental to the character and appearance of Camden's Belsize conservation area heritage3. Intrusion into the privacy of neighbours' properties i.e. gardens, conservatories and rooms4. The potential noise could potentially be detrimental to the value of our property
