2019/1489/L	E. Buck	13/07/2019 00:14:14	COMMNT	<p>How long are the proposed works going to take?</p> <p>Will there be sufficient covering over any scaffolding to prevent dust and building materials from entering my property? My property is very close and faces the walls which require rendering.</p> <p>My property is likely to be affected so I would like to know how these proposed works will impact me and my quality of living. I am concerned about the potential impact. Any measures which will help prevent any issues would be greatly appreciated, should these proposed works go ahead.</p> <p>Please inform me of committee date.</p>
