Subject: OBJECTION to Application 2019/3270/P

Dear Sirs

Re: Application fro Gym No: 2019/3270/P
5, Harben Parade, Finchley Road, London NW3 6JR

Once again, I am alarmed to hear of this application as mentioned above.

Shops in general are struggling in this area and the opening of a gym, will not enhance the area whatsoever. Patrons of a gym tend not to go shopping after a workout!!

There are already, two gyms in the area - one within the swimming pool complex at Swiss Cottage and another in Fairfax Road.

What is required is a good mix of shops to entice people to the area.

There is already a big parking issue with the food delivery bikers and this is putting off many people trying to support their local shops and impeding handicap people from parking.

Please do take into account my reasons for the objection.

Yours faithfully

Mrs J.L. Prooth
