Dear Sir/Madam

## **DECISION**

Planning (Listed Building and Conservation Areas) Act 1990

### **Listed Building Consent Granted**

Address:

**145 Levita House**  
**Chalton Street**  
**London**  
**NW1 1HR**

Proposal:

Replacement railings and gate serving Access to Flat 145

Drawing Nos: Site and location, design access & heritage statement, 19/086-02  
(drawings)

The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Site and location, design access & heritage statement, 19/086-02 (drawings)

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 The site is a corner inside the central courtyard of one block of Levita House, a series of interlocking early-20th-century housing blocks, listed grade II.

The applicant wishes to replace a short set of existing modern security fencing with a taller set to prevent antisocial behaviour. The site is relatively concealed, behind the Somerstown Coffee House and adjacent to a bin store.

In view of its lack of prominence and the pre-existence of modern railings, it is considered that the proposed works will not harm the special interest of the grade-II-listed building.

Any works other than those specifically mentioned in the consented drawings are unauthorised. If further works are found to be needed, the permission of the council's conservation team must be obtained in writing, or further listed building consent may be required.

The application has been advertised in the press and by means of a site notice, whereby there were no consultation responses. The site's planning history has been taken into account in making this decision.

Special attention has been paid to the desirability of preserving the special interest of the listed building, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013

As such, the proposal is in general accordance with policy D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the NPPF.
