Dear Nora-Andreea,

Many thanks for your email, and this welcome news.

I am happy to withdraw the PHCAAC's objection to the revised scheme which addresses our major points, and should be a real enhancement to the conservation area.

Many thanks for your work on achieving these revisions.

All good wishes,

Richard

Dear Richard,

Hope this email finds you well.

I am dealing with the proposal for "Conversion of vaults and storage below front garden to habitable room and toilet, with walk on pavement rooflight above, and installation of planters and railings to front elevation, all to single family dwelling (Class C3)." at the above.

Following discussions with the applicant I received revised documents which I believe that now respond to ours and your concerns as well.

Please find attached.

In light of this, would you please let me know if you still consider objecting to this proposal?

Best Regards,

Nora
