I object to the planning application for the front blocks of Frognal Court on the following grounds

1. The implementation over the back blocks caused disturbance and water leakage over a long period of time.
2. There will be loss of light
3. I object because rules on Social Housing for Frognal Court will be flouted with the flats altogether (back and front blocks) exceed the required percentage for Social Housing for Frognal Court.
4. There is no plan for a lift to the 4th floor; if these were accessible to a lame and disabled person on the first floor I may be agreeable provided Network Rail the freeholder were consulted and were agreeable.
5. Network Rail should be consulted and their objections and response circulated.

With kindest regards
