2019/2643/P	Covent Garden Community Association (Elizabeth Bax, Chair of Planning Subcommittee)	21/07/2019 00:05:08	OBJNOT	Covent Garden Community Association (CGCA) only makes the following objections to this application: - If granted, we ask that the application allow no more than 8 chairs at 4 tables in the terrace area. 16 chairs is too many for this small space, and may lead to crowding by the door of the hotel. The application requests that drinkers remain at the tables until 9pm, and too many people may be likely to cause disturbance at this hour. There are many family flats just opposite the hotel door. - We would prefer any tables and chairs to be waiter-service only. Staff inside the building are not sufficiently close to be able to observe nuisance at an early stage, and there is a history of hotel guest causing serious disturbance without any intervention from staff. - No vertical drinking or eating to be allowed, ie: the terrace should only be used either as a thoroughfare, or for people eating and drinking while seated at the permitted tables.
