2019/2973P	Fulvio & Barbara Oriando	21/07/2019 19:22:24	OBJ	We object on the current planning application for the following reasons: - such big terrace will affect enormously the privacy of our property [REDACTED] - a party terrace of this size could cause noise and disturbance to our flat - when I applied for our balcony the Council advised us to keep the dimensions in line with the ones of the other properties to safeguard the Belize Conservation Area
2019/2973P	L Zonenberga	21/07/2019 17:09:12	OBJ	Unfortunately the planned terrace is of significant size [REDACTED] and as such I feel that the use of it for entertainment purposes would cause a noise nuisance that will negatively impact the quality of life and the value of my property.
