2019/3010/P	Alison Goodhill	21/07/2019 18:03:25	OBJ	I feel the conversion into 9 flats of this building is excessive. I believe it would put an unreasonable strain on the environment of the street, specifically regarding the availability of parking and car usage, the additional services required and the high degree of occupancy with the potential of 18 plus new residents
