2019/3312/P	Elizabeth Waller	22/07/2019 12:42:20	COMMENT	<p>I support this application.</p> <p>██████████ The presence of the live in guardians in the temporary caravans has meant that we have not had a return of the squatters that previously occupied the site. The houses around Rochester Square have as a result been safer. When the squatters occupied the site, we constantly found dis-guarded needles in our front garden. We have not had any since the guardians have lived on site.</p> <p>Please support this application as it certainly adds to a safer neighbourhood.</p> <p>Please grant this application as their presence makes for a safer neighbourhood.</p>
2019/3312/P	Penelope Clayden	19/07/2019 15:36:58	NOBJ	<p>To the Planning Officer,</p> <p>I am writing in support of the planning application: Variation of condition 2 (temporary use) of planning permission approved on 14/07/2016 under ref. 2016/2808/P (as amended under ref. 2017/2623/P dated 26/06/2017 and again under ref. 2018/2951/P for the continued temporary installation (for a period of 12 months) of two accommodation units for property guardians to secure the site and prevent future unauthorised occupation; namely to extend the time limit from 14 July 2019 by one year to 14 July 2020.</p> <p>The occupation of two accommodation units for property guardians to secure the site and prevent future unauthorised occupation has not only offered 1 Rochester Square protection but gives us, as neighbours, security in knowing that the square always has a guardian on site. My husband and I have lived at ██████████ overlooking Rochester Square, for nearly 20 years and have experienced the noise and disturbance of squatters and illegal visitors but we have had continued peace and respect from the present guardians. The owners of the square, Francesca Anfossi and Eric Wragge continue to update us with activities and plans for the square and we give them our full support.</p>
2019/3312/P	Vanessa Lensen	21/07/2019 10:37:53	NOBJ	<p>I live opposite the Square and overlook it and have no objection to the caravans on site. In fact, it feels safer and very sensible to have this in place to stop the risk of the squatters returning.</p>
