Informative(s):

- 1 Reasons for granting listed building consent:

The application site is the grade II listed early 20th century Somers Town Coffee House building which comprises a public house on the ground and lower ground floors with residential accommodation above.

Listed building consent is sought for the construction of a non-load bearing timber studwork wall and door opening, to create a new entrance into the apartment; and 3x existing doors would be rehung to allow for better access into the rooms that they serve.

The proposed works are not considered to cause harm to features of special architectural or historic interest in the building and the works would be reversible. The proposals are therefore considered to be acceptable.

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

The proposed development is in general accordance with Policy D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016; and the provisions of the National Planning Policy Framework 2012.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 You are advised that any works of alterations or upgrading not included on the approved drawings which are required to satisfy Building Regulations or Fire Certification may require a further application for listed building consent.
- 4 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road

closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team London Borough of Camden 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444) . Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.

- 5 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website at <https://beta.camden.gov.uk/documents/20142/1269042/Camden+Minimum+Requirements+%281%29.pdf/bb2cd0a2-88b1-aa6d-61f9-525ca0f71319> or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel.
