2019/3261/P	The Heath &Hampstead Society	24/07/2019 11:49:31	COMMNT	<p>OBJECTION From: The Heath & Hampstead Society.</p> <p>This proposal to place an Air Conditioning Unit on the roof is unacceptable. The noise, even with acoustic enclosure, will reverberate around the close neighbours and on quiet warm nights when windows are open will be a serious noise nuisance.</p> <p>The applicants should be encouraged to consider other forms of heat control.</p> <p>Please refuse.</p>
