

**ENVIRONMENTAL HEALTH
SUPPORTING COMMUNITIES**

To:	Sanchita Raghunathan, Planning Officer, Development Management, 5 Pancras Square N1C
From:	<i>Nick Priddle BSc (Hons) MSc AIEMA, MIOA (Technical Officer Contaminated Land & Noise)</i>
Date:	29/7/19
Address:	<i>Flat A 37 Mornington Terrace London NW1 7RS</i>
Proposal:	Installation of internal secondary glazing to two (2) windows to the front facade across basement and ground floors for noise mitigation during construction of the HS2 railway at Euston.
Reference:	2019/2810/L
Key Points:	In principal the proposal is considered acceptable in terms of noise and environmental health

ENVIRONMENTAL HEALTH OBSERVATIONS

PART 1

The following documents have been reviewed in preparation for the comments below

- Design Statement, Heritage Statement and Statement of Justification 37 Mornington Terrace (Flat A – Ground & Basement Floors) dated 30/5/19
- Internal window Plan showing secondary glazing and trickle vents to provide background ventilation.
- External Plan showing ground & basement level windows

Summary

In principal, I have no objection in terms of noise and environmental health to the internal secondary glazing proposed.
