Planning Application Number: 2019/2375/P

As a Hampstead resident I am writing in favour of the development of the former Hampstead Police Station by Abacus Belsize Primary Free School. I believe that the successful school would significantly benefit the Belsize Park community and would be an appropriate use of the former Police Station which has been vacant for far too long. The school is very conscious of the pollution argument raised by some local residents and is taking active measures to counteract this concern.
