

Application No:	Consultees Name:	Received:	Comment:	Response:
2019/3126/L	Camden Town Conservation Area Advisory Committee	29/07/2019 12:41:18	COMMNT	The Committee has no objection to the proposed installation other than to note that these rooms will require mechanical ventilation to keep internal temperatures cooler with windows closed overnight. We would therefore expect to see a further application for the fitting of Sonair Units in due course.
