Dear Mr Dempsey

Thank you for the opportunity to reply to the notice.

I am a part owner of the property at 9 Oakhill Avenue and as a group we have had many issues with the works at 7 Oakhill Ave some of which you may be aware of.

We recently met with the site manager of the property and agreed that the railings etc are to be deferred as they adjoin to our own refuse area which is shortly to be demolished and rebuilt.

I have tried a few times to reestablish contact with him, however, to no avail and then the subsequent notice appearing on a lamppost.

The general feeling was that works would be deferred to appease all parties.

We have no comments in relation to the side gate or front elevation, however, the bin area is of concern.

I am happy to be contacted on [REDACTED] Russell Graft if need be.

regards
