Good Morning Nick

Thank you very much for the email response and the support. I really appreciate this

Please find the above tree survey that was undertaken. I apologise for attaching an email. The tree would most likely need to be removed as it's causing some damage to the wall and the property.

The business address is: Grey Oka 800 Ltd, Unit 1, 146-148 Granville Industrial Estate, Granville Road, London, NW2 2LD

The property address is: Flat A, 171 Westend Lane, London, NW6 2LH

I believe the tree is under the lease holder Anu Parti, [REDACTED]

If you require anything else, please do let me know

Thank you

Kind Regards,

Trupti Mahida-Dicocco
