Dear Kristina,

On behalf of the Camden Town Conservation Area Advisory Committee I have attached our comments on the above application. These comments include our previous observations (at pre-app engagement stage), as these provide additional information in regards to the site context.

Please note that we OBJECT to the application as it stands.

I would be grateful if you could ensure that the email listed in relation to the attached comments is not this one (to be redacted please), but the [REDACTED] copied in to this correspondence. The [REDACTED] address is picked up by all Committee members.

Many thanks for your attention to this.

kind regards,

Luisa
