Dear Sir/Madam

DRAFT
FOR INFORMATION ONLY - THIS IS NOT A FORMAL DECISION
Town and Country Planning Act 1990 (as amended)

DECISION SUBJECT TO A SECTION 106 LEGAL AGREEMENT

Address:
**37 Grafton Way
London
W1T 5DD**

PROPOSAL
Proposal:

DECISION
Conversion of basement and ground floor maisonette into two residential units. Replace a door with a window on the side elevation of the existing rear extension at ground level. Installation of a Juliet balcony on the rear elevation at ground level.

Drawing Nos: Design and Access Statement_REVA, PA00, PA01, PA02, PA03, PA04, PA05, PA06, PA07, PA08A, PA09, PA010, PA11

The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

- 1 The development hereby permitted shall be carried out in accordance with the following approved plans [Design and Access Statement_REVA, PA00, PA01, PA02, PA03, PA04, PA05, PA06, PA07, PA08A, PA09, PA010, PA11]

Reason: For the avoidance of doubt and in the interest of proper planning.

- 2 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission.

The properties current lawful use is residential use (C3) at basement, ground, first, second, and third floors. The site visit indicated that the recent use of the basement level was not C3 use. Policy H1, encourages the supply of self-contained housing. The conversion of the existing basements and ground floor flat is considered acceptable on the bases that the size of the flats comply with the National Technical Housing Standards in terms of gross internal floor area, floor to ceiling height, outlook, and access to sunlight/daylight. The proposal involves the removal of unoriginal timber decking over the rear light well to increase light to the basement.

Linked to the removal of the timber decking over the light well a door is replaced with a window and a Juliet balcony is installed. These works are modest and are in keeping with the historic building.

Due to the nature of the proposed alterations there are no significant amenity issues generated. The external alterations will not be visible from public or private views. It is also considered that there will not be any significant amenity issues associated with the conversion to 2 separate residential units in terms of noise transfer between the units.

Policy T2 Parking and car-free development requires all additional residential units to be car free. The proposal does not include any parking spaces, this is secured by way of a S106. There is sufficient space in the hallways for both units to store 1 bike. The front light well at basement level is also likely to provide space to store a

bike.

No objections were received prior to making this decision. Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 CA's of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013. As such, the proposed development is in general accordance with policies A1, D1 and D2 of the London Borough of Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the National Planning Policy Framework 2018.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (Tel. No. 020 7974 4444 or search for 'environmental health' on the Camden website or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 4 This proposal may be liable for the Mayor of London's Community Infrastructure Levy (CIL) and the Camden CIL. Both CILs are collected by Camden Council after a liable scheme has started, and could be subject to surcharges for failure to assume liability or submit a commencement notice PRIOR to commencement. We issue formal CIL liability notices setting out how much you may have to pay once a liable party has been established. CIL payments will be subject to indexation in line with construction costs index. You can visit our planning website at www.camden.gov.uk/cil for more information, including guidance on your liability, charges, how to pay and who to contact for more advice.
- 5 You are reminded that this decision only grants permission for permanent residential accommodation (Class C3). Any alternative use of the residential units for temporary accommodation, i.e. for periods of less than 90 days for tourist or short term lets etc, would constitute a material change of use and would require a further grant of planning permission.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

Yours faithfully
