2019/3195/P	Carolyn Stacey	02/08/2019 10:50:38	COMMENT	<p>[REDACTED] I have consulted the leaseholders of the ground floor and basement flats. We have no objection in principle to the extension and the creation of more family living space, but we are concerned about the effect of the extended side wall on the light available to the lower flats, and we would like to see a light impact assessment.</p>
