2019/2974/P	The Heath &Hampstead	01/08/2019 15:46:49	COMMNT	<p>OBJECTION: From: THE HEATH & HAMPSTEAD SOCIETY.</p> <p>This application is not accompanied by any justification for a door in a boundary wall at Garden Level and obtaining light from the air-space of another property. Access to the adjoining garden is presumably not being sought but even if translucent glass I employed light will spill into the garden and noise will affect the the private use of the garden. If built the owner of the garden would be well advised to erect a barrier to prevent the applicant gaining rights of light for the doors.</p> <p>This is an absurd application, objected to by the neighbour. PLEASE REFUSE.</p>
