**Subject:** 2019/3650/P; St. Giles Circus

To Jonathan McClue

**TfL Reference:** CMDN/19/267  
**LPA Reference:** 19/3650/P  
**Location:** St.Giles Circus site including: site of 138-148 (even) Charing Cross Road 4 6 7 9 10 20-28 (inc) Denmark Street 1-6 (inc) 16-23 (inc) Denmark Place 52-59 (inc) St.Giles High Street 4 Flitcroft Street and 1 Book Mews London WC2.  
**Proposal:** Cycle storage details to discharge condition 55 (details of cycle storage areas) of planning permission 2012/6858/P dated 31/03/2015 (AS AMMENDED VIA 2015/6939/P AND 2015/3900/P).

Thank you for consulting Transport for London (TfL) on the above application. TfL have the following comments:

TfL requires cycle storage to meet the requirements in Chapter 8 of the London Cycle Design Standards (LCDS). The submitted details of cycle storage areas do not provide any dimensions or measurements; it is therefore unclear whether the cycling storage is compliant with the LCDS. Can the applicant demonstrate that cycle storage is compliant with the LCDS.

Kind Regards,

**Edward Vaudin**  
Assistant Area Planner | Spatial Planning
