2019/3494/P	Craig Duncan	07/08/2019 11:27:29	OBJ	Under this change of use surely these flats need to be realistically affordable or at least the prescribed percentage?
2019/3494/P	Jo Siedlecka	07/08/2019 09:41:43	OBJ	I am extremely concerned about this proposed development. There is already considerable activity in Torriano Mews. All week long cars are coming and going and people walking past. People have thrown rubbish in my garden which backs onto the Mews. When this development first started the gates were closed at night but now they are left open all the time and all our properties feel very vulnerable. This is already a very built up congested area. The last thing we need is more flats.
