- prevention of public nuisance

**Details of representation**

Further to our previous comment we would to make an additional representation. We would like the applicant to offer a condition that prevents customers using the outside area to eat and drink after 9pm. We would also like a condition that prevents waste including glass bottles being moved after 9pm and before 8am. The reason we ask for this is to prevent noise nuisance to nearby residents. We would also like a condition that restricts the type of alcohol that can be sold as off-sales.
