2019/3221/P	Anja Saunders	09/08/2019 09:08:55	OBJ	I would object to this alteration as this will mean a semi outdoor indoor space in addition to current space. The folding doors will be open and further noise will be emitted from the premises outward. The canopies will allow more seating outdoors at all times including winter with heaters. This idea has been tried in other areas, in Neal's Yard for example where I live, and it has caused endless trouble for residents particularly noise nuisance, problems with street clutter obstructing pedestrian flow and obscures the boundaries between restaurants and street trade.
